

Asti Priser

January 2, 1998 - August 13, 2011

Our beloved Asti "Red" Priser passed away August 13, 2011. She was born on January 2, 1998 in Cicero, Indiana.

Asti is survived by her pet parents, Steve and Diana Priser and their son, Brad. She will also be fondly remembered by all her Lake Wawasee friends on E-Pier; Tom and Linda; aunts, Lori and Sharron; the Brooks and Richards Families; and everyone she ever met. She was predeceased by her buddy, Kenny; and Venice the Cat.

Asti enjoyed her stuffed toys. One of her favorite activities was throwing her stuffed toys over her back and then kicking them.

Taking pills was not high on Asti's list of favorite things.

She was very fond of sleeping on Dad's head. Asti enjoyed food and would eat everything. There are so many wonderful memories of Asti; her first trip home inside her Dad's leather coat; and snuggling inside her Dad's stinky shoes. Every precious moment with Asti brought a great joy to her family. She will be dearly missed.

Comments

“ Daine and Steve, Thoughts and prayers are with you. As a Pier E guest from time to time I know I will miss seeing Asti. She was a very sweet dog and part of our lake family. Thinking of you during this difficult time.

“ Asti, your Aunt Debbie will remember how excited you'd get everytime people would come over to your house. You loved to lick everyone and have people play with you. You were the sweetest dog. I also remember how you barked when your mom was on the phone. You wanted to be in the middle of it all!! I miss you.

“ We were so sorry to hear of Asti passing, we feel your pain. We have fond memories of her visiting us and getting her treats or anything we may have been munching on. You are both in our thoughts and prayers. We look forward to a new addition to your family.
