

## Boo Nieten

October 28, 2020

Boo Nieten (nicknamed “Boo Boo”), passed over The Rainbow Bridge on October 28, 2020. Born in Noblesville, Indiana, she was lovingly adopted by her family on October 31, 2012. Her family included pet parents Darren and Cindy Nieten, and human brothers Alex and Adam Nieten.

Boo had a favorite toy, her gator. She had just gotten a new, very small lambchop, and was so excited about it. She loved playing with her toys, and would always carry them around trying to find a place to “bury” them in the house. Most of all, she loved being outside in her backyard. She would watch the other dogs and kids playing through the fence and never wanted to come in.

One of her not-so-favorite things was riding in the car! She loved to sleep with her mommy in her bed and under the covers.

The Nieten Family shared some of their favorite memories: “She was truly the lap dog we searched for, for a long time. She loved sitting in mommy’s lap or next to her in the chair. When her older brother, Alex, was still home, she loved going into his bed with him when mommy went to work. More recently, her older brother, Adam, took exceptional care of her during her sick times. She loved laying on his chest and sleeping.”

Her mommy’s favorite memory was when they would go to bed, she would lay on her mommy’s chest and lay her head down on her cheek; then wanted to “go under” the covers and go to sleep.

Boo’s pet sister, Tessa, survives. Preceded in death were pet siblings Toby (brother) and Tiffany (sister).

“ So sorry to hear about Boo’s passing. I don’t think it is an accident that dog is god spelled backwards. She was truly a blessing and will be dearly missed. I have asked God to remove your sadness and leave only the happy memories. Mary Ann

“ I know how heartbreaking it is to say goodbye to a family fur baby. She was given the best life on this earth and she was one happy pup for the love she received all the years you had her. Sorry for your loss of Boo.
