

Eddie "Meow" Thetford

October 22, 2007 - February 12, 2021

Eddie "Meow" Thetford crossed over The Rainbow Bridge on February 12th, 2021. He died peacefully in the care of Zionsville Pet Wellness Clinic from suspected cancer. He was born on, or around, October 22nd, 2007, and was adopted by his mother, April Thetford, on December 22nd, 2008.

Eddie's favorite thing to do was cuddle with his mom and even earned him the nickname "Mr. Cuddles". He was happiest when snuggled under the blankets in mom's arms where he slept almost every night. They shared a special bond that will be cherished forever.

Second to cuddles, Eddie loved food and was known to tip the trash can or steal from countertops when he could. He even stole an entire box of Captain Crunch and hid it under a recliner once.

Eddie was very close with his fur sibling LouLou, and they could almost always be found laying together in the sun. Eddie mostly tolerated his youngest fur sibling, Biscuit, but did enjoy late night trash snacks together.

In addition to his parents, April and Joey, Eddie is survived by his human siblings Aurora and Thorn, as well as his feline siblings LouLou and Biscuit. Other family and friends include Pamela (Aunt); Maddox, Lux & Izzy (Cousins); Twila (Friend); Jade (Friend).

Eddie will be dearly missed by all his family and friends. He will hold a special place in our hearts forever. We love you Meow and hope Goober is keeping you company at the Rainbow Bridge. Until we see you again.

His family would like to extend a special thank you to Dr. Dinaz Lahewala and her team at Zionsville Pet Wellness Clinic for the excellent care and kindness given to Eddie, especially during his final moments.
