

## Libby Rudy

June 3, 1996 - July 3, 2013

Our beloved Libby passed away July 3, 2013. She was born in June of 1996 in Anderson. A favorite memory is the day that Libby came into her family's life. Taylor and Laura were taking a walk one summer day and Libby came running out to greet them when they were walking past a house. The lady there told them that she was keeping her for a friend until she could find her a home. She was adopted that day. It was truly meant to be!

She is survived by her pet parents, Taylor Rudy and Laura Rudy-McCord; canine sisters, Baylee and Molly; and other family and friends, Mike McCord, Georgia Roberts and Hunter York.

Libby's favorite toy was her "Star Baby". She enjoyed going for walks, playing fetch, and rolling on her back and twisting back and forth when we would say, "Libby...twist and shout!"

She had the prettiest big brown eyes. Libby's favorite place to sleep was Taylor's bed. She enjoyed eating table scraps and Frazier's ice cream.

Libby was not particularly fond of men.

Libby was a part of our family for 17 years! She will be in our hearts forever.
