

Addie Beauty Mackin

December 7, 2024

Addie ("Addie Beauty", "Brown", "Brownish Brown", "Baby Brown Bags") Mackin was born 15 years ago, when my husband and I were in college. She passed on Saturday, December 7, 2024. She is survived by her pet parents, Sierra and Kellen Mackin; human siblings Hank Mackin, Solace Mackin, and Baby Gus Art Mackin. Other family and friends are Jason Kersey, Isaac Jean, Sarah Love Mack, Rigley, Bear, and many more. We recently lost two fish named OEI and Chester Bob.

Addie loved toys in her younger years - we had many. Her favorite activities were interacting with her babies (our kids), eating bologna and human food (especially steaks), and being with her family. Addie's least favorite things were bath time, car rides, and suspect house guests. Her favorite places to sleep were in mom and dad's bed, or Hank's bed.

Favorite memories of Addie: Preparing us for parenthood in so many ways; always loving us in wherever we were in life - she was always there to give and receive snuggles and love. She was so wonderful. I miss her so. BEST DOG EVER
