

Alfie Brumback

October 29, 2003 - May 8, 2020

Born in Lapel, Indiana, Alfred Wilson Brumback (nicknamed “Alfie”), crossed over The Rainbow Bridge on May 8, 2020. Alfie was born on October 29, 2003 to Sir Simon blu Raison Red Neck and Gracie la Pee Wee Crum. His human pet parents, Neal and Karen Brumback, gave Alfie a wonderful life full of love and sweet memories.

Alfie loved to play and go for walks in his stroller, camp, and go through the car wash with Neal. His favorite toy was his yellow stuffed duck, or any toy, as he loved them all! Alfie did not like other dogs.

His cuddle bed and his pet dad’s lap were the best places to sleep. As his pet parents shared, their favorite memories of Alfie were how he loved to run and play with his toys, and how he liked to give kisses on their cheeks.

In addition to Neal and Karen, Alfie is survived by three fur siblings, Lucy, Jack Jack and Elliott. Other family and friends include Jason and Holly Brumback, Ayden and Sadie; Emmett and Beckett Brumback; and Mike and Alex Brumback.
