

Alfie Smiley

May 2, 2018 - June 16, 2024

Alfie ("Fat Boy") Smiley was born on May 2, 2018, and passed on June 16, 2024. He is survived by his pet parents, Lazarus and Trinity Smiley; pet siblings, Leo (cat) and Gypsy (beagle).

Alfie's favorite toys were a laser light and scratcher box. His favorite activities were chirping at birds, laying in sun spots, making biscuits, and talking to us. (He would walk around saying "Hello?" and meowing back at us.). His least favorite thing was getting his nails trimmed and his Uncle Zach. His favorite place to sleep was the crib in the nursery.

Favorite memories of Alfie: He used to sit at the dinner table with us. When we went to pet him he would get so excited he would dive into your hand and almost fall over. He would purr so loud the second he got pets. He loved being held like a baby and jiggled. When we saw him we would say "Mow" and he would sing it back to us.
