

Ali Edwards

May 1, 2004 - January 30, 2016

Ali passed away on January 30, 2016 in Pendleton Indiana. Surviving family of Ali are Tracy Edwards, Zak, Chance and Zippy, also Grandma Case, Papaw and Mamaw Bob and Aunt Penny.

Ali loved playing with any kind of ball. Of course his favorite activity was playing ball and being where ever mom was. He didn't like to have medicine out on his nose. Ali would take his nap in the living room guarding mom and Grandma Case before eating anything and everything.

Ali was such a loving dog to all humans and all dogs he never met a stranger. He enjoyed taking care of all humans and others animals especially Oscar. Ali loved to run and jump but mostly loved to play fetch. Ali was such a good dog and will be missed by all but most of all by Zak
