

Allie Ring

February 16, 2024

Allie ("Allie-girl", "Little Girl", "Sweet Pea", "Sissy") was adopted on November 9, 2013, and passed on February 16, 2024. She is survived by her pet parents, Tricia and Tom Ring; pet sister, Shadow Ring; and loving foster mom, Nancy Allen-Ziemski.

Allie's favorite toy was LambChop, or any toy her sister has. Her favorite activities were sleeping in her crates, "killing" stuffed toys, car rides, and wind blowing her ears through the car window. Her least favorite thing was going the vet. Her favorite place to sleep was in her crates.

Favorite memories of Allie: Wearing a hoodie, thump of tail, first time she barked, being mom's constant companion, snow for the the first time. So, so many memories of our sweet girl...

We would like to thank Labs4Rescue of Connecticut for providing loving homes for rescued Labrador Retrievers.
