

Arri Reece

September 30, 2009 - January 7, 2023

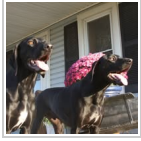

Arri Reece was born on September 30, 2009. He left us on January 7, 2023. His nickname was Air-E Scare-E because he was the kindest, sweetest, gentlest, calmest dog you ever met.

He loved his stuffed toys and would carry them around. He would sit them in the windowsill beside him, so they could look out too ! He didn't like the Vet's office or loud noises. His favorite places to sleep were, anywhere he could sleep on his back, feet in the air. In bed he loved to sleep right up against me.

I do not have a favorite memory of Arri, because they were All my favorite... I will miss you very much sweet boy.

Arri is survived by his Mom Cathy and 2 step brother's Blue and Barney.
