

Asher Cleek

January 27, 2010 - May 26, 2020

Asher Cleek, a very handsome 10-year old Golden Retriever, passed over the Rainbow Bridge on May 26, 2020. Born in Logansport, Indiana, on January 27, 2010, he was the fur baby of Jeff and Laurie Cleek.

Asher's favorite toys were his llama, moose, hedgehog, bunny, and his dog stuffed animals. He loved play fighting, sniffing literally everything, going across the road to see his girlfriend, riding in the car, cuddling, and tapping the door with his nose. He didn't like going to the vet or getting a bath!

His favorite places to sleep were either in the bathroom or under the stairs on his bed.

Jeff and Laurie loved cuddling with their boy, play fighting, trying to get him in the shower or into the vet (as pet mom Laurie shared, "a pain, but they are some of our most vivid memories!"), watching him and Lauxley play, taking him to the lakes, seeing how much happiness he brought everyone, and how excited he would be when someone got home.

Asher is also survived by siblings Jeffrey, Carley and Audrey Cleek; and sister's dog, Remy. Other family include Lauxley and Aubrey Cleek.
