

Baby Badass

March 17, 2021

Baby Badass was born in August of 2003 and passed on March 17, 2021. Her nickname was B.B.

B.B. loved anything with catnip and her favorite time of the day was dinner time. She took great pleasure stealing a bite of food on her mom's plate, especially chicken. She loved Daddy's cooking!

B.B. loved to sleep on her bed in the middle of all the action or Mommy's pillow at bedtime. One thing she did not like was being held too long.

She was a crafty cat. She would help her Mommy do crafts and loved getting into the glue, wrap the yarn in knots, and liked to eat the tape.

Baby Badass is survived by her pet parents; Kelly Clark and Jason Stevens, human siblings; Austin Stevens, Elizabeth Cassady, Scott Stevens, and Shawn Stevens, and her pet siblings: Lady Bug, Tazzy, Boo Bear, Batty Cat, Hagrid and Fang. She was a beloved member of the family for over 17 years. B.B. will be greatly missed. Mommy doesn't know what she will do without her special fur baby.
