

Bailey Freemont

December 12, 2000 - October 7, 2015

Bailey Freemont passed away on October 7, 2015.

Bailey was adopted on 2/11/2001 from the Hamilton County Humane Society. It was love at first sight! Bailey's Mommy & Daddy are Lisa and Doug. His other family members are Shelbi, Riley, and Jake. Bailey has two doggie brothers, Duke and Chico who are both 7 years old.

Bailey enjoyed roaming around his big backyard checking out all the smells and taking the occasional nap out there as well. It was his oasis. He loved to run the fence line with his brothers and neighbor dogs when he could. He never turned down a "walkie-walk" either. There wasn't much that Bailey didn't like, with the exception of being aggravated by his little brothers at times. ¶ One of Bailey's favorite foods was a peanut butter and jelly sandwich. But he would never turn down much of anything. He had a few nicknames that we would call him; Bay-Bay, Bays, and "Sir William".

Every day was a memory with Bailey. He had the sweetest smile, the most precious face and he was so loyal and had love for everyone. Bailey was so loved by everyone too and he will be remembered every day in our memories and our hearts.
