

Barney Joe Romines

July 2, 2024

Barney Joe passed away on July 2, 2024. He was a a good brat. He always liked playing in the backyard. He was a brat. He would look at you with those bright eyes and love you. If he wanted out, he would look at you and after would go potty. I will miss him. He was thankful for his family members Mary Zion, Claude Zion, Dori Zion, Scotty Zion, Renee Ritchie, Elizabeth Shiver, and Linda Zion. They really loved him.

From Your Aunt Karen

Barney Joe was a sweet old man, and a dear member of the SAVC Family. Our veterinarians and team members speak of and remember Barney fondly-- particularly his excitement to see everyone and everything. You will be missed, Barney Joe.

Fondly,

The SAVC Family
