I first met Bella at paw paws, Eddie's, and Bella came up to me knowing how much I loved dogs, she immediately wanted some lovings and I gave her what she ask for. When I stopped she let me know that wasn't going to happen I just kept loving her until I had to leave. I fell in love her immediately that day. She will be missed by her mom, dad, and Aunt, as well as friends, like me!! 💔👍
