

Bella Cunningham

July 21, 2014 - July 26, 2024

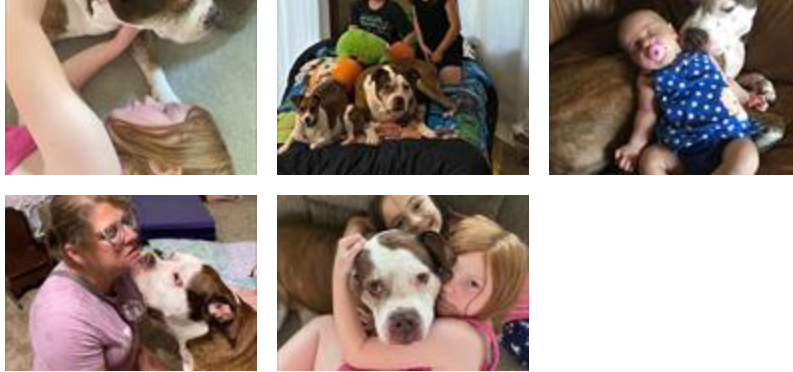

Name: Bella ("Boo Boo") Cunningham was born on July 21, 2014; and passed on Passed: July 26, 2024. She is survived by her pet parents, Josh and Kerri Cunningham; human siblings: Destiny Lake, Gabe Lake, Tyler Cunningham, Madeline Cunningham, Maverick Cunningham, and the late Kierra Lake; pet sibling: Little Sister Rosie.

Bella loved everyone she met, and she especially loved babies. She greeted each new baby into the family with a gentle sniff and a doggie kiss. Her favorite activity was cuddling with her human siblings, especially her "boys" Gabe and Tyler. She got a lot of love and hugs from them when they were growing up, and she was a loyal friend to them. She loved to eat and if someone was eating and not sharing with her she would stare intensely while giving looks that would make them feel guilty for not sharing. She enjoyed going on car rides and trips to the veterinarian. She would take the leash in her mouth and walk herself to and from the car. In her puppy years she loved baths and would jump into the bathtub with her human sibling Kierra. In her later years the word "bath" would make her run in the opposite direction as fast as she could. She was the best dog we could ask for and she was loved by the whole family. When she entered Heaven we know that she went running to Grandma Gail and her human sister Kierra as she would have been so excited to see them again. Rest easy sweet Boo Boo.
