

Binx Hanson

March 11, 2024

Binx ("Bink", "Binkerton", "Binxyboy", "Sir Binx A Lot", "Fat Boy", "Binky Winky", "Binximus Prime") Hanson wandered to our porch sometime in the early Fall, 2019. He passed on March 11, 2024. He is survived by his humans: Coy, Taylor, Haidyn, and Creigh Hanson; pet siblings: Yoda, Luna, Alice, Gator, Steve and Pandora.

Binx's favorite toy was Haidyn's hair. His favorite activities were attempting to escape outside, eating (trying to steal human food), sleeping and cuddling on cozy blankets and rugs, laying upside down. His least favorite thing was ceiling fans...he was petrified of ceiling fans. His favorite place to sleep: top of the couch or chair, under the end table, on the cherry rug, on the flower rug, in the window, the kids beds, shower mat

Favorite memories of Binx: Him wandering up to us to be a part of the family, his little fang always digging into you if he was resting his head on you, him following me to the bathroom then straight to get him food every morning and quite literally everything else. He brought us so much joy.
