Blu Branham

January 6, 2012 - January 20, 2023

Boo boo-boo bear- binky-binky squinky -bubby-buddy-stinky bink-baby bear-
moo moo- good ol' boy

Our sweetest boy. Our snuggle buddy. Our bump on a log .The 11 years we had with you are our greatest blessing. It's impossible to describe the bond we shared. Our travels together, your gentleness, your sweet and goofy personality, the way you suckled your babies and loved being swaddled, the endless love you gave, your love of bones, and so much more. The joy of our lives was watching you and your sister together, and with the pain of losing her, your constant, steady, selfless love, and companionship is what helped all of us get through. We will miss every moment, every look, every adventure, every walk, every snuggle, every routine, and sharing you with others so they could see how amazing you were. Your life with us was so special. No amount of time with you would ever be enough. All we can hope now is for you to have the happiest reunion with Maize.

We love and adore you Blu.
