

Bo Peavey

April 17, 2026

It is with heavy hearts, that I announce the passing of Bo. He was rescued and adopted on April 13, 2017. He was 9 years and 4 days old. Bo passed away on April 17, 2026. He has been struggling with water on his heart since July 2025 and seizure problems the last month.

Bo was a Shih Tzu baby to his human Dad, Donald Peavey. His human Aunt, Debbie and Uncle Bill Theaman; human cousins, Amanda and Bella; and his pet cousin, Scamp. His pet cousin, Lady Theaman passed away on April 1, 2026. He also has human friends, Melissa and Jonathan.

Bo loved to play ball with his dad who would toss it, and Bo would bring it back and do it over and over. Also, Bo's favorite toy was a stuffed spider. Bo loved to go riding in the car, so he could act like he was driving. He has traveled to Liberty, Kentucky for our Apple Festival several times.

His favorite foods were Arby's roast beef and chicken. His favorite snacks were spiral twist sticks and Dream Bone twist sticks.

Bo's favorite past time was laying in the yard soaking up the sun and watching the trains go by and at bedtime he liked to lay in his bed on a pillow belly up.

Thank you goes out to Dr. Maple at Brookville Road Animal Hospital along with vet techs Rachel, Jordan, and the other girls in the office. Also thank you to Dianna and the girls at Clip & Cuddles in Beech Grove for Bo's haircuts.

Special thank you to Loyal and True for their excellent service.
