

Boss Hog McCune

May 18, 2023

On May 18th at 3:30pm our Boss Hog crossed over The Rainbow Bridge. Although we wanted to have our sweet boy longer than the four months we did have him. God had other plans for our sweet fur baby. Boss Man your truly missed by so many. Mom (Casey McCune), Dad (Cameron McCune), Human Brother (Jayden Mullins), several human aunts and uncles, also several human cousins. Also missing you is Papaw and Grandma Titus, and Nanny and Papaw Mullins. Boss Man there are so many memories left to cherish. One special memory that a lot of us will always laugh about. You always wanted to chew on your Aunt Cari's arm. It didn't matter at all what kind of mood she was in either. Another memory is how if your dad would cover his head up with a blanket you did whatever you could to get him uncovered. Also doing whatever you could to drive the kids crazy. Then there was your tail. Son you would get so excited when people came over it wasn't just your tail that wiggled. Your whole back side wiggled. Your tail was your weapon. It sure was dangerous. In four months with us you had a couple favorite toys. Not only favorite toys you also had a favorite blanket. The blanket was a tie blanket. When you chewed on the ties you would chew so much in the same place it came apart and was in your mouth. Your favorite toys. One was a squeaker toy. That was the toy momma couldn't stand. You always had a couple stuffed animals that didn't take long to tear up. You loved chewing on anything you thought you could. Your absolute most favorite toy was the metal pliers your dad let you chew on. You enjoyed your dog food. But you enjoyed

it even more if mom put some human food on top and mixed it up. You enjoyed your dog treats. But Aunt Cari would get her strawberry wafer cookies and they became your favorite treat. There wasn't anything hardly you didn't like. One thing you didnt like was Pepto. When you first started getting sick we tried to see if that would help. You didn't like it at all. You loved sleeping right in between mom and dad in the bed. Boss Boss rest easy. It's not the same without you. Give all your special loves to everyone that's up there with you. Keep all of us safe down here. Until we see each other again Boss Hog. Gone but Never Forgotten
