

## Bravery Bell

July 10, 2019 - January 16, 2020

Bravery Bell (nicknamed Bray, Brave, Brave Boy, Bray-Bray) passed on January 16, 2020. He was the fur baby of Ambrea Wilson and Daniel Bell.

He had a number of favorite activities including playing outside, cuddling, finding sticks, eating bones and giving kisses! Bravery had some things he didn't like. Those included baths, tight spaces and the color pink.

He found his favorite toys to be Miss Bunny and Big Red Bone. Bravery enjoyed sleeping in bed between his pet parents. As they reflected, "The memory we will always remember is him and Mimi chasing each other through the house. Koba always treated him just like his baby. We will remember his love and how he made us feel."

Bravery's siblings include Koba, Mimi, Lily, Faith, Hope, BeebJ, Duke, Daisy and Crybaby. Other family and friends are his grandparents, Rachele and Stephanie; uncle Tristan; and aunts, Kaylee, Kelsey, Arieonia and Lela.
