

Buddy Arms

March 29, 2019

Buddy Arms, loving family member of Jason and Jennifer Arms, passed away at the tender age of 14 on March 29, 2019. Born in 2005, Buddy was a stray who, at the young age of 5 months, found himself a forever home for 14 loving years in the Arms family.

Buddy was a happy dog who lived life to the fullest. He enjoyed the little things in life, like car rides, chasing cars, playing fetch and playing with his squeaky toys. He also frequently enjoyed his doggie play days with his best fur-friends, Lacy, Friend and Cookie. While there was not much in life he didn't enjoy, he quite detested bath time. His mom did make up his bath time to him with his favorite snacks, steak and ribs. Buddy made sure every moment with his family was well spent, as he could be found every night next to his mom asleep on the couch.

Though Buddy was a good boy, and loved pleasing his owners, he was a clever dog who often found himself in mischief or as he liked to call it, "Having fun".

"The neighbor dogs, Lacy, Friend, and Cookie would come over every day to play. Throughout the years, Lacy learned to ring the doorbell for Buddy. It was like clockwork every day at 11:00 am. They would come pick Buddy up and play outside all day until a few years ago when Buddy couldn't run anymore. Friend passed away three years ago, and Buddy would whine for her cat at

the window for weeks after she passed. Also one time, we came home on Halloween, after trick or treating, a few years ago to find our living room had been toilet papered. Somehow Buddy and his three friends were in the house. Toilet paper and mud were everywhere. He lived a long, happy, and very spoiled life. He will be missed by many."

Buddy is survived by his pet parents, Jason and Jennifer and their children, Brooke and Dustin. He is also survived by his fur cat siblings, Tippy and Pickles. Buddy was very loved by everyone he knew and will be deeply missed by his family.
