

Buddy Michael Atkins

October 31, 2009 - August 17, 2020

Buddy (“Bud”) Michael Atkins passed away on August 17, 2020. He was the beloved fur baby of Todd and Jenny Atkins, and had one brother, Cody Atkins.

Buddy had two favorite toys, his baby and his bear. He loved to lounge around with his dad, chase birds, bark at strange noises and bug his mom! His not-so-favorite things were getting baths and going to the vet. One of his favorite places to sleep was next to his dad on the couch (that he wasn’t supposed to be on!)

Todd shared some favorite memories of their special boy – “Buddy was the runt of the litter with the biggest personality. Buddy kept coming up to my wife at the breeder’s home. She brought him to school to pick up our son and introduce him to our new addition and a bond was made. We weren’t sure who was happier, our son or Buddy. He was as smart as he was stubborn, which usually got him in trouble since he knew if he got caught, he’d get a time out. He gave the best hugs and had to have one before he went to bed at night. He became more than a dog, he was truly a part of our family that will never be forgotten.”
