

Buddy Teer

July 6, 2024

Buddy ("Twinkie") Teer was born in Spring 2008, and passed on July 6, 2024. His pet siblings are Sammy, George, Fred, Luke, and Tina. Other family and friends are my mother, dad, and brother.

Buddy's favorite toy was a leopard stuffed toy animal. His favorite activities were hunting mice, and indulging a catnip habit. His favorite place to sleep changed often, but open window sills were favored.

Favorite memories of Buddy: Watching him climb a catalpa tree, playing with his leopard toy, and the love he gave me. He was a God send when he came into my life - an extraordinary friend who cannot be replaced. He wasn't my cat, I was his human. He was was the one bright spot in my life.
