

Butterscotch Mehling

May 31, 2014 - January 5, 2016

Butterscotch was found as a kitten on 5/31/2014 and he passed away on 1/5/2016. Butterscotch was found on the dock of the Anderson Post Office by his pet parent David Mehling. His other family consist of Rhonda Avery, pet siblings are Orrin, Draco, both cats, Tennessee, Annie, Daisy, Lil Miss, all Dogs.

Butterscotch loved to jump on your shoulder and sit there like a parrot while you walked around. his favorite toy was a cloth mouse. He loved to sleep on you lap.

Our favorite memories of Butterscotch were when he would sit and wait in the kitchen to catch a mouse and sleepin by the christmas tree and nativity scene
