“ *I'll always remember how proud and dapper he was when he was freshly groomed and in a new sweater or some outfit. He would strut around and hold his head up high. We all need to be more like this. Be proud, be happy and STRUT your stuff when you know you got it goin on!*
His Daddies miss him and so do we. But, I know he's up there with the ones gone before him, getting all the Squeakers and struttin around and enjoying that Grandmomma and Ms Nora holding him and giving him all the snacks he can stand to enjoy!
