

Caliegh Van Duyn

December 7, 2011 - February 23, 2017

Caliegh "Cal" Van Duyn, 5, of New Castle, passed away on February 23, 2017. She was previously from Muncie, where she was rescued by her parents, Lundy and Jordan Van Duyn. She was their only child until God blessed them with biological children.

Caliegh's favorite toys include her duck, and her mommy's panda bear. She loved to take walks, go for car rides, go to the groomers, eat anything, and she especially loved to take naps preferably with her mommy or daddy. We even made up a game called "Go find Mommy." She was a great dog and loved everyone; however, she wasn't so fond of snow or rain.

Caliegh is survived by her parents and other family members, Nala and Sierra.

"The great memories of Caliegh all started when daddy rescued and brought her home. We would chase her around the yard, take walks, celebrate her birthdays, get lots of kisses, and she would always make us smile and laugh."

“ *Caliegh was my baby and my best friend! When my husband rescued her and brought her home she fell right into place. We have struggled for awhile now to have our own children and she was our baby. Caliegh will be missed more than I can ever express. She went to soon but I know she's playing by the rainbow in heaven. I love you and miss you so much cal!* ”
