

Callie Althouse

February 1, 2006 - June 18, 2019

Callie Althouse was born February 2006 to the loving family and home of Sandy and Sara Althouse.

Callie was a hyper, loving soul who dearly loved her family and made many great memories with them. Her family states her favorite things were playing, eating and sleeping. As long as Callie was with her family she was happy. Her mother, Sandy, says that she loved to greet her when she came home and was already ready to snuggle in front of the tv, or with a good book, on the couch, at the end of the long day.

Callie also loved to play with her toys, her favorites being anything that squeaked. She also enjoyed it when her family would throw her toy balls down the long hallways and let her chase them. One of Callie's favorite game was keeping her ball, or "ballee", and playing keep away.

Callie is survived by her mom, Sandy, and her human sister, Sara. She is also survived by her favorite groomer, Robin. Callie passed away June 18th, 2019. She will be deeply missed by many.
