

Carly Myers

July 4, 2008 - August 6, 2020

Carly Myers, beloved fur baby of Jennifer Myers, crossed over the Rainbow Bridge on August 6, 2020. Born in North Webster, Indiana, on July 4, 2008, Carly's favorite toys were her tennis balls and stuffed animals. She loved to play ball and go on long walks, chase squirrels and eat corn on the cob. Her not-so-favorite thing was having her nails trimmed!

Carly's favorite place to sleep was next to her mom. As Jennifer shared, "I had twelve blessed years of having such a sweet soul in my life. Carly never met a stranger, and would wiggle from head to tail with excitement to say hello."

In addition to her pet mom, Carly left behind many people who loved her; Aunt Melanie, special friends Hector, Kaitlyn, Owen, Nicole and the many special friends of Epworth Forest in North Webster, Indiana.

She was preceded in death by pet siblings Alphie, George and Baby Hope.

“ Oh, sweet Carly! It was such a joy to have known you and shared some pieces of your life! Miss Bell loved being with you and Alpie.....sharing treats and time. You were so loved by the sweetest, caring mom who spoiled you rotten.....and both of you took great pleasure in that nurturing! Jennifer gave her all to you and you returned it to her seven fold. You had the biggest, sweetest soul ever and you were lucky enough to have a mom who loved and cared for you beyond measure. Rest Well, Carly.
