

Casey Wittkamp

October 17, 2006 - July 8, 2018

Casey Wittkamp, 12 years old, joined his brother, Jack across the Rainbow Bridge on July 8, 2018. He was born on October 17, 2006 in Apple Valley, CA. Casey had several nicknames, "Big Yellow Buddy", "Sweet boy" and "Casey Boy".

Casey is survived by his parents, Rob and Jenn and fur sister, Sandy.

Casey's favorite toys were tug toys, Bobo, and anything that squeaked!! His favorite activities included sleeping, eating, making mama and papa let him outside, then bark as soon as they sat down to let him come back in. He also enjoyed watching tv and having his picture taken.

Casey's least favorite things were being outside too long and having people not share their food (which his favorites were cheese, rice, pasta and lunch meat)!!!

His favorite place to sleep was on mama's pillow, even though she told him he was too big, she still let him.

Casey boy was one of kind! He had the biggest personality of any dog we ever owned. We always got a good laugh with his facial expressions when the camera came out. Casey loved everything and everyone. From the moment he woke up to the moment he went to sleep, he was always wagging his tail and just happy. We will miss you "sweet boy". Go find Jack at the Rainbow bridge and we will meet you there!!

Love you,

Mama and Papa
