

## Casper Noah Baur

November 8, 2011 - July 17, 2025

Casper Noah Baur was born on November 8, 2011 in Scottsburg, Indiana and was brought home to Muncie, Indiana by mom and dad in January of 2012. He passed on July 17, 2025.

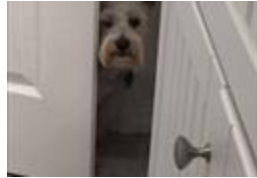

He brought so much joy to his human parents for 13 ½ years from the day he walked in the door as a little white fur bundle. He was a momma's boy through and through and followed her everywhere...room to room. He was fiercely protective of his mommy even letting Dad know now and then that she was his! He loved getting on the floor and wrestling with daddy with the culmination being a licking of dad's ear. Some of his other favorite things to do was play ball and fetch, tug of war with daddy, keep away ball with mom and dad, riding shotgun on the console to see the world, riding and sleeping in his stroller (his favorite place to nap), and traveling with mom and dad. He was such a good traveler. He loved watching the sea gulls on Lake Michigan when we visited. He never once tried to chase them. He would just watch them. He was such a good boy but boy was he a yapper. His favorite foods were blueberries, green beans, cooked carrots, watermelon, cantaloupe, freeze dried chicken in his Kong ball and most of all his bone cookies. He loved snuggles in the recliners and sleeping in mommy's bed at night. If he got cold, he would nudge mommy's belly, she would raise the blanket, and he would crawl under. He was coldest natured dog ever.

Although we have so many good memories, our hearts are shattered over losing you. We know we will see you once again one day but want you to know you were the most loved dog beyond measure. We spoiled you rotten but would not change any of that. We miss you immensely. He is survived by his daddy and mommy Bob and Debbie Baur and several other family members and friends who loved him just as much. We just want to hold you in our arms and kiss your little nose and head once more. Rest in doggie heaven Casper boy. We love you and will forever cherish you in our hearts.
