

## Casper Griffith

October 1, 2014 - May 16, 2025

Casper Griffith was born on October 1, 2014; and passed on May 16, 2025. He is survived by his pet parents, Sarah and Shane Griffith; human siblings, Sheyenne and Joshua; pet siblings: Willow, Zaroni, and Rebel.

Casper preferred treats over toys. His favorite activities were laying in the sun, napping on the couch with Mom, and playing with his cat sister, Zaroni. His least favorite thing was bath time. His favorite place to sleep was in bed next to Mom.

My favorite memory of Casper was the day he joined our family. He walked right in our front door as a stray one morning, and he made himself right at home.
