September 28, 2022

Chase ("Flup", "Chaser", "Chaser McFlea", "Puppers", "Stink Dog", "Puppy", "Fluppy") Huff was born in September 2008, and passed on September 28, 2022. He is survived by his pet parents, Jeremy and Erin Huff; human siblings: Kiley, James, and Derrik Huff; and Penny, the neighbor.

Chase's favorite toys were squeaky stuffed animals. His favorite activities were laying around, barking at the meter reader person, getting pets, chasing/treeing animals, and waiting for us to return from church. His least favorite thing was loud noises. His favorite place to sleep was the porch, under the overhang.

Favorite memories of Chase: Getting to snuggle with him in the winter (Kiley), and him always waiting for us to come back from church (Kiley). He liked to be buried in the leaves (Jeremy).

“ I remember he always tried to act mean and bark menacingly at me when I walked or ran past his fence one day I stopped and talked to him and he quit barking. The next time I bravely(stupidly?) put my hand in to Pat his head. After that I always gave him a quick Pat on the head and told him hi.
