

Chelsea Manning

January 22, 2023

Chelsea was adopted on 12/12/12 to Joe and Terri Manning. She passed away early Sunday morning January 22, 2023 at home. When she was taken to the veterinarian, he estimated her to be about 2 years old when she was adopted. As Joe went through the Animal Shelter, she was in a pen by herself at the very end of the row and with all the other dogs barking she sat quietly, and Joe knew she was the one. She chose us as much as we chose her. She went to work with Joe and was by his side from the first day we brought her home. Her focus was to be his helper. She was by Terri's side as she was rehabbing walking by her side or just behind her. She made friends wherever she went. If you left your door open on your vehicle, she would jump in wanting to go for a ride no matter who you were. She loved playing ball and would bounce a basketball back to you. She loved going to the lakes but hated the water, although she was happy to get on the boat and go out on the lake. There are so many memories we could share with you, but it would be too many to list. She will be missed by all who knew her.

“ Enjoyed watching her up at the lake! She was so quick (especially w/the 🏀) that I remember you had thoughts about agility training & competition for her! I believe she also kept the ducks off the grounds around the lookout! So sorry for the loss of your canine family member!💗😭
