

Chewie Duncan

October 25, 2015 - August 15, 2020

Chewie Duncan crossed over The Rainbow Bridge on August 15, 2020. Born in Indianapolis on October 25, 2015, he was the beloved fur baby of Kathi Duncan. His nicknames included Chew Chew, Huggie Bear and Bubby.

Chewie had many favorite activities including spinning in circles, watching TV while eating on his pet mom and sleeping. He did not like to be left alone at home! He had a favorite toy that was a teddy bear baby chew toy. He loved to sleep in Kathi's bed, literally right next to her.

He loved to give random kisses! Chewie was always so happy to greet his mom, jumping around and giving her kisses every time she arrived home. He also enjoyed turning his booty towards his mom so she would scratch it for him.

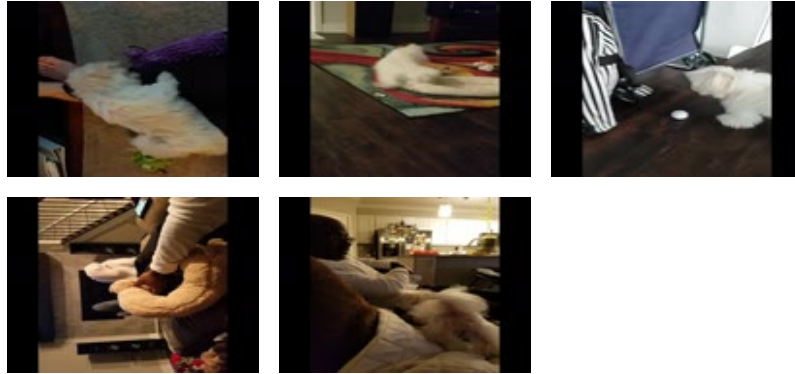

In addition to Kathi, Chewie is also survived by his human family, Lamar, Keenan and Kaileen Duncan, and Chris Bennett; as well as pet sibling, Leia.

As Kathi shared, "Chewie, I miss you so much! You were my best friend and only one who could brighten each day from the time I woke up to the time I went to bed. I wish so much that you were here with me. Life is not the same and never will be. You are, and always will be, the best dog and friend I will ever have! Hope you are in a happier place and love you so very much."
