

Chicle Zore

December 19, 2017 - January 12, 2024

Mommy's baby, angel, my chunker monker. Mamaw/mami's guinea boo boo monster. & Papaw's purring rat.

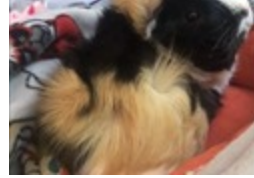

There'll never be another guinea pig with such personality. I raised him but he really raised me. I couldn't have asked for a better angel. I'll never forget the day we found each other & I'll continue telling everyone I meet our story. A match made in heaven. I'll miss you getting excited every time you saw Mommy or heard my voice. I'll miss your purrs & squeaks and even when you were just being crazy. I'll miss you being my lil Houdini and always wondering how you got out. Or how you would popcorn day & night no matter the time. I cherish every second & memory I got to have with you, my sweet baby boy. My spunky chunky monkey. Mommy's woolly worm.

My lil angel is now watching over as my guardian angel. Forever greatly loved & missed ♡ Chicle 12/19/17-1/12/24 ♡
