

## Chips Helpling

January 1, 2010 - February 23, 2023

Chips was born on January 1, 2010 and passed on February 23, 2023.

He left behind his pet parents Jim and Brenda Helpling and his sister Pepper.

Human siblings Jamie, Amber, Candy and Dee Dee.

Human friends Karen and many others.

His favorite toy was his snake and his favorite activities were fighting daddy for his food and waking his daddy up squeaking his snake by his ear. Also loved going for walks.

Least favorite thing was taking oral medicine.

Favorite place to sleep was on his pillow above mommy's head.

Favorite memories were when he sang to the Law and Order theme song, and barking at the vacuum at bedtime.

Too many other memories to list. We had 13 wonderful years with our fur baby and will cherish him forever.

He was very special to us.
