April 21, 2009 - October 15, 2016

Chiquita Marie "Baby Girl" DeLuz Ochoa, 7, of Elwood, passed away in the arms of her mommy on October 15, 2016. She was born on April 21, 2009.

She loved to be outside and play with her mommy and daddy, and was a total mommy's girl. Her favorite place to sleep was on her mommy's pillow, and she loved to eat anything. Chiquita will be missed but never forgotten.

Chiquita is survived by her loving parents, Rita and Juan Ochoa; her sibling, Palomo, and human siblings, Lisa, Scott, Alisha, Shane, Juanita, and Ronald. Also surviving is her Grandma Janie and Papal Lupe.

"I will never forget my Baby Girl. I fell in love with her the moment I saw her. She was so tiny, and weighed under a pound when I got her. She followed me from room to room. She was right behind me all the time, and any time I would sit down she had to be on my shoulder or had me hold her. I miss her so much. Love you Chiquita!" - MOMMY
