

Chloe Berry East

August 18, 2025

Chloe was born on March 24th, 2008 as one of three puppies born in her home of Pendleton, IN.

As a puppy Chloe never could figure out how to bark, but when she learned how to she never stopped barking. She loved being with her dog Mama, Daisy, and her dog sister Diamond.

She loved food and was always in the kitchen when dinner was being made. Her favorite thing to drink was milk after her human family ate cereal. She loved popcorn too.

She showed so much love and loyalty to her human family, as well as her animal family. She would always follow them around the house.

Chloe has been reunited with her Mama Daisy, sister Diamond, and all of her animal friends that have waited for her at the Rainbow Bridge. She passed away on August 18th, 2025.

Her memory lives on with her human family, The East Family, and with her remaining pet family who will make sure her people are taken care of: Mocha, Gizmo and Oliver.
