

Chloe Cuddles Lucas

May 5, 2006 - April 26, 2013

Beloved Chloe Cuddles Lucas passed away April 26, 2013.

She was born May 5, 2006 and rescued from the Southside Animal Shelter in Indianapolis on August 11, 2007.

Chloe was also fondly referred to as "Cuddles".

She is survived by her mom, Debbie Lucas; pet siblings, Stinky, Taz, Hista, and Buddy; and friends, Terry Crane and Michael Devine.

Chloe's favorite toys were soft tennis balls which she enjoyed playing with.

Another of her favorite activities was taking walks.

Chloe was not fond of being groomed.

One of her favorite places to sleep was on a feather pillow next to Mom. She enjoyed all types of food, but particularly loved carrots and Greenies as treats.

Her mom, Debbie, recalls that "Every moment with Chloe was special, from taking walks, playing ball and just cuddling with her. Chloe went blind at about age 5, but she was such an inspiration! She learned her way around, still played ball and was a happy little girl. We should all be more like our dogs, live in the moment and give unconditional love! Her pawprints will always be in my heart! Mikey, Aunt Terry, and I miss you so much!!!"
