

Coco Sloan

April 9, 2021

Coco Sloan, the fur baby of Larry and Vickie Sloan, passed away on April 9, 2021. Born in August 2007, Coco was the survivor of a puppy farm. Larry and Vickie rescued and adopted Coco and her son, Rolo. They gave them forever homes filled with love and happiness.

Coco, (nicknamed, Coco Moco Oko Doko Do and Litte Bit), loved to take walks with her daddy! She enjoyed playing with her favorite toy, Hedgehog. Like her son, she did not like taking baths! She had two favorite sleeping places, in bed with her pet parents, or in her cushy pet bed. Larry and Vickie's favorite memories of Coco were her going to the kitchen to be spoon-fed her medicines and her squealing when her pet parents walked in the house.
