

Coconut Barnes

January 31, 2026

Coconut ("Ol' Lady", "Big Booty Judy", "CoCo Lottie") was adopted in 2021, and passed on January 31, 2026. She is survived by her pet parent, Regena Barnes; pet siblings: Dottie, CoCo, Zues, Kona, Monte, and Trudy. Other family and friends are Bosco, Clover, Cannoli, Gemma, Eason, Lucy, Felicity, Cecilia, and Joshua.

Coconut's favorite toys were toys that dispensed treats. Her favorite activities were running; playing in the snow, rain and grass; tag with friends; getting belly rubs; and eating. Her least favorite thing was staying indoors. Her favorite place to sleep was under the bed.

Favorite memories: Coconut doing zoomies. Coconut catching live birds. Coconut playing with friends. Coconut kisses.

Coconut my baby you made a vow before form and we were a destination on your journey to fulfil that vow. We all are furry grateful you were a part of our lives. We are the Royal Great 8 no matter what form your soul takes. Your infinite soul continues and we will too be carrying your paw prints on our hearts.
