March 28, 2022 - May 19, 2022

Coconut ("Coco") Wagner was born on March 28, 2022, and passed on May 19, 2022. She is survived by her pet parent, Breyanna Wagner. Other family and friends are her grandparents (Allen and Michelle) and her aunts and uncles (Diamond, Tarrence, Austin, and Gage).

Coconut's favorite toys were toilet paper rolls, slides, and her exercise ball. Her favorite activities were running and rolling in her ball. Her least favorite thing was when people would interrupt her sleep. Her favorite place to sleep was in her house.

Favorite memories of Coconut: When I first got her and she bit me. When she would run around in her exercise ball.
