

Corazon Garcia

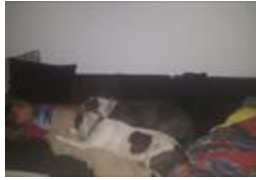

August 9, 2013 - November 30, 2021

Corazon Garcia is survived by her pet parents Jennifer and Luis Garcia, her human siblings; Nevaeh, Edwin, Isalas, Gavin, Kailee, and her pet siblings; Sky, Mocha, Sassy, Precious, and Mu Mu. Corazon loved playing with balls, and running alongside Sky and Mocha on the bike with daddy. She also loved travelling to see family in Nashville. Her least favorite thing was taking pills, and her favorite place to sleep was on the couch. When she was born she had a marking that looked like a heart on her side. That is why her name is Corazon, which means heart. She was amazing, sweet, and best of all she could walk without a leash next to us. She will be missed.
