

Daisy May Ellingwood

February 9, 2011 - May 13, 2026

Daisy May Ellingwood was born on February 9, 2011; adopted on January 15, 2018; and passed on May 13, 2026. She is survived by her pet parents, Mark and Leisa Ellingwood; and pet brother, Tiger.

Daisy May's favorite toy was Foxy - she had 3 of them. Her favorite activities were playing with her Foxy, eating some of Mom's ice cream, and being anywhere Mom was. Her least favorite thing was going outside in the rain. Her favorite place to sleep was right by her Mom.

Favorite memories: Running to see us when we got home, giving Daddy kisses when told to give him some love, jumping up to get Greenies, sitting and waiting for her ice cream. Daisy was a rescue dog - we got her from the shelter. Such a sweet little girl, was so happy she came into our lives. I miss her deeply.
