

Dexter Morgan

September 9, 2013 - January 23, 2024

Dexter was the sweetest baby. He was born on September 09 of 2013. Dexter was put to sleep on January 23 of 2024. He sadly lost his fight with a nasty aggressive cancer.

Dexter loved food, people, and traveling. He traveled all over the United States. He has gone to Montana, Michigan, Wyoming, South Dakota and so many more states. He was a healthy boy and loved celery and carrots and apples. The one food that he did not like, was potatoes. He was not a fan of French fry's or anything potato related.

Dexter loved meeting people. He was a people pleaser. He loved babies and children. He was always making sure his family was okay.

Dexter loved toys, even though he always ripped them to shreds. The only toys he did not rip to shreds were the DuraPlay Hartz toys. His favorite toy, was an emoji toy that we got from PetSmart.

Dexter hated bugs and anything that buzzed around his face and ears.

Though he didn't really have an appetite, for his last meal, he slurped down some icecream and a big cheeseburger.

He was a big brother to Jaxson, his doodle brother. Jaxson misses him so much. His family misses him so very much. We love you Dexter Morgan.
