

Diesel Eacret

August 2, 2014 - May 14, 2024

Diesel ("Debo Bebo", "Muchacho") was born on August 2, 2014, and passed on May 14, 2024. He is survived by his pet parents, Amanda Eacret and Damon Pennington (stepdad); human siblings, Brayden and Gracie; and cat brother "Bubba". Other family and friends are Aunt Shelby, Nana, Elly B, Aiden, and Papaw.

Diesel's favorite toys were anything squeaky and all the tennis balls. His favorite activities were getting booty scratches, rolling around in the grass, attacking the water hose. "I'll get the ball, but you can't have it back." His least favorite thing was sharing his kids. His favorite place to sleep was in bed with his bubby, Brayden.

Favorite memories of Diesel: Car rides and playing in the snow with Shelby. Realizing his love for pigs and babies. He truly was the best protector.
