

Dudley Cobb

November 2, 2003 - March 26, 2019

Dudley "Dud" Cobb sadly left this world to rainbow bridge on March 26, 2019. He is deeply missed by his parents, Don and Brenda Cobb and their daughter Jennifer Cobb and his fur sibling, Bailey Cobb. Dudley's favorite toys were a small blue tennis ball and a gingerbread man, while his favorite activity was riding in his car seat with his family. His favorite place to lay was his mom's lap while he ate his favorite food in the whole world, cheese! While he strongly disliked baths, he loved being with his family. His family will deeply miss seeing his sweet face everyday and taking him on vacation. Rest in peace, sweet Dudley.
