

Ebony Sue Parks-Gillespie

August 2, 2019

Ebony, 10, of Alexandria, IN passed away 08/02/2019. Ebony was born in Anderson, IN and moved to Alexandria in 2012. She was the sweetest dog that has ever been on earth. We are truly heartbroken. When God made her, I bet he set back and smiled. There has to be dogs in heaven if it is truly paradise.

One time when her human mother (Ronda) was having a diabetic issue and couldn't think, Ebony came to her human father (Dave) and alerted him through strange behavior and forced him to go check on Ronda.

Ronda was admitted to the hospital ICU within an hour and later recovered. If it hadn't been for Ebony, it could have ended a lot different. Somehow Ebony always knew when people were not feeling well and she would stay with them.

She was an amazing friend and will not be forgotten.

During her time as head of household security, Ebony patrolled the backyard daily and protected us from squirrels and rabbits. She also alerted us about visits from the mailman, UPS and Fedex.

Ebony loved baths and had taken a Jacuzzi bubble bath before, she loved it! She was a total Diva. She was a connoisseur of cheese. She loved all types

but her favorite was smoked Gouda. She also loved Wendy's cheeseburgers (no bun). To her that was caviar.

Ebony only had a few teeth left so we would have to cut some of her food up into small bites. We gladly did that for her.

In early 2017 Ebony was diagnosed with congestive heart failure. She was on several medications daily. We cared for her just as she had for us when we were feeling bad. She was an equal member of the family and she knew it.

Ebony hated the lawn mower, the door bell, and the weed eater. She loved the back yard. She never had one till she moved to Alexandria.

Left to cherish her memory are her parents David Gillespie and Ronda Parks and her Chihuahua companions Cujo and Fawn.

Special thanks to Chesterfield Animal Hospital of Chesterfield and VCA Northwood Animal Hospital of Anderson for their caring and help during this difficult time.

“ Candy and David send our condolences. I know you'll be reunited with your fur baby one day because paradise can only exist if ALL our loved ones are there with us.
