

Eclipse Cleary

June 20, 2022

Eclipse Cleary of Anderson peacefully crossed the rainbow bridge on June 20, 2022 at Lapel Animal Clinic. He is survived by special owner Libby Cleary, who was also his favorite person, and who was also by his side in his final moments. He is also survived by feline sibling, Misa and dog sibling Emma and many family and friends. He is preceded in death by dog sibling Carlee. Eclipse was adopted in 2006.

Eclipse loved spending time with his owner Libby and cuddling with her and loved sleeping in her bed with her. He also liked to chase and catch mice and liked to lie in the windowsill in the summertime to enjoy the sun, and to watch the birds. His least favorite things were wearing Halloween costumes, other peoples' dogs, and taking baths.

Eclipse, you are and will be terribly and dearly missed by everyone who knew you, and especially by me. I have missed you since you took your final breath and I know you are waiting for me so that when I arrive, we can both walk the rainbow bridge together. A piece of me left when you did and there is a hole left that can never be filled, life has been so different without you. Even though you are not here anymore physically, I know that you are always with me in spirit. Until we meet again, my precious baby!

I would like to give a very special thanks to Lapel Animal Clinic for the care

they gave Eclipse in his final days.
